

# GLENDI FESTIVAL FOOD VENDORS

EXPRESSION OF INTEREST

For thousands of years, the Greeks have enjoyed interaction and trade with neighbours around the Mediterranean and farther east to Asia. In a nod to this, the Greek Fest will expand its offerings to include cuisines and displays from around Greece's 'neighbourhood' - celebrating Townsville's cultural diversity.

The exciting addition to the cultural experience at the festival has culminated in a name change to the Glendi Festival. 'Glendi' translates to festivity, revelry, merrymaking a celebration.

The festival has always been, and continues to be a free event for over 25,000 attendees. This year the festival will be held over the long weekend (September 30th - October 2nd). Festival goer's senses will come alive with traditional music and dancing displays, delectable foods and cooking demonstrations from around the Mediterranean.
